its 7th year**

## Organic Semiconductor Conference 2009

28–30 September 2009

London Heathrow Marriott Hotel, UK

### Where technology comes first

Join chief technology officers, senior technical staff, business leaders, investors, manufacturers and researchers at the seventh annual Organic Semiconductor Conference (OSC-09) to track progress and discuss the latest developments in organic semiconductors and organic electronics. As well as its usual focus on technologies related to organic semiconductors, this year the conference will also explore the new opportunities offered by advances in carbon nanotube and graphene technology.

Founded in 2003, OSC is the only annual international event dedicated to the organic semiconductor industry. OSC-09 takes place from 28-30 September at the London Heathrow Marriott Hotel, UK.

#### Sponsorship and Exhibition

A selection of exciting sponsorship and exhibition packages are available. Book early to obtain the maximum benefit from your investment.

For more information contact Anna Volund:

- Telephone: +44 (0)1223 421525
- Email: Anna.Volund@cintelliq.com

#### OSC-09 brings you:

- ◆ Latest research and progress from key organisations
- ◆ Research track with peer-reviewed papers
- ◆ Technology-focused topics
- ◆ Seminars led by industry experts
- ◆ Poster session
- ◆ Exhibition space
- ◆ OSIA industry awards
- ◆ Networking events
- ◆ Full proceedings on arrival
- ◆ Convenient location

## Conference

The conference consists of two days of in-depth presentations from CTOs, CEOs and other senior personnel in the organic semiconductor industry. In addition to the invited speakers, a peer-reviewed track and poster session provides opportunities for researchers to present new research to an international audience.

## Seminars

Optional pre-conference seminars are available on the first day. One seminar stream is aimed at industry professionals to help them update and extend their knowledge, while a second stream enables those new to the industry get up to speed.

## Exhibition

Running over two days, the Exhibition will feature new technologies and processes from leading companies.

## Awards

The OSIA 2009 awards will be presented at the gala dinner on the evening of 29 September. Nominations for the 2009 awards will open in April.

## Venue

The London Heathrow Marriott Hotel is located 1km from the airport. Heathrow Airport serves 187 destinations around the world and has excellent road and rail connections to London and the rest of the UK.
